**Please find the affidavit provided had a typo on the date of notary attached hereto is corrected  
Affidavit notarized by the same Notary.**

**I do hope that your dept has every intention of investigating this information. Further more  
this Affidavit does not include all details of conversations and communications as that is  
something that should not be made public until your dept has had the opportunity to  
investigate.**

**I maybe contacted through my Attorney Montgomery B. Sibley.**

**Thank you.**

## AFFIDAVIT OF LAWRENCE W. SINCLAIR

I, Lawrence W. Sinclair do hereby affirm under the penalty of perjury that the following statements are true to the best of my personal knowledge, and ability and are provided freely to the Chicago IL Police Department.

I, Lawrence W. Sinclair, do state:

1. In September 2007 I contacted the Presidential Campaign of Barack H. Obama, US Senator of IL, to request that Senator Obama publicly correct his stated drug use record to reflect his use of crack cocaine in November 1999.
2. That in making contact I did leave with the Presidential Campaign of Senator Barack H. Obama a contact number for the campaign to return my call. The first number provided was a Texas cell phone.
3. That from the period of Labor day weekend 2007 through November 18, 2007 I did provide a total of four (4) different call back numbers to the Obama campaign, as I had moved and had changed the numbers to reflect locally my place of residence at the time.
4. In late September to early October 2007, I received a call from a male who identified himself as a "Mr. Young" stating he was calling in regards to calls I had made to the Obama campaign. This first call was in fact an attempt by said "Mr. Young" to obtain from me the identities of anyone I had contacted concerning my 1999 allegations against Senator Obama. This first call shocked me in that this "Mr. Young" asked me why I had not asked Senator Obama to disclose sexual encounters I had with Mr. Obama in 1999. I was shocked as I had never mentioned to the campaign or anyone working for the campaign any sexual encounters. The call ended with "Mr. Young" stating I would hear from someone in a few days.
5. In mid to late October 2007, I received a second call from this "Mr. Young" at which time I clearly became aware that this individual was personally involved with Senator Obama rather than an employee of his campaign. The tone of the conversation and the sexual nature of said conversation. While "Mr. Young" did not once advise me how he obtained my phone number which by this time had now changed to a Delaware number.
6. In late October 2007 I received a text message from the gentleman identified as "Mr. Young" in which he stated he was intimately involved with Senator Obama and that Obama was discussing with him and his pastor how to publicly acknowledge Senator Obama's drug use in 1999 and that Obama wanted to be sure I had not discussed the sexual encounters or drug incidents with any media at that time.
7. In mid to late November 2007 another text message from "Mr. Young"
